Faculty Professional Development Report

Faculty: Senanu Okuboyejo **Department: MIS (Management Information System)**

Period: April 2024 - March 2025 **College: Business & Management**

This report highlights all endeavors and activities to support and enhance my professional growth and development at the college and university during the period under review. This report also serves as a roadmap to ensure the satisfactory fulfillment of my position's requirements per Article 22 Section B of the IFO Contract.

1. **Demonstrated ability to teach and perform effectively in teaching in other current assignments.**
   - Establish and maintain a teaching portfolio – I taught the following courses in Summer 2024, Fall 2024 and Spring 2025 –

Course	Title	Summer'24	Fall '24	Spring '24
MIS 380	Business Intelligence & Analytics	Asynchronous	Online	Online
MIS 310	Principles of Management Information System	-	In-person	Hybrid
MIS671	Problem Formulation and Data Presentation	-	Online	-

Enhancing Student Engagement and Learning

This academic year, I prioritized student engagement, communication, collaboration, and accessibility to create a dynamic and inclusive learning environment. Key efforts included timely grading with detailed feedback, cooperative learning strategies, integration of career readiness competencies, and leveraging AI tools to create multimodal learning resources that cater to diverse learning needs.

Key Teaching Strategies and Activities

1. Enhanced Communication & Collaboration

- **Timely Feedback & Revisions**: Provided prompt, detailed feedback with opportunities for improvement.
- **Structured Course Navigation**: Weekly updates ensured clarity and engagement.
- **Flexible Office Hours**: Offered in multiple formats to accommodate diverse student needs.

2. High-Impact Learning Practices (HIPs)

- **Collaborative Projects**: Encouraged teamwork, critical thinking, professional communication and problem-solving.
- **Industry/Community Engagement**: Organized practitioner sharing sessions (MIS380) to connect coursework with real-world applications. This semester, three industry professionals participated (speaker profiles attached).
- **Structured Reflection Exercises**: Guided students in synthesizing and applying their knowledge.

3. Leveraging AI for Multimodal Learning

To support different learning preferences and needs, I incorporated AI-powered tools to create inclusive, multimodal lecture materials, enhancing engagement and accessibility:

- **AI-generated presentations**: Ensured clear, structured, and visually engaging content.
- **Educational Videos & Podcasts**: Provided alternative formats for students who learn better through audiovisual materials.
- **Interactive AI-driven content**: Used tools to support personalized and adaptive learning experiences.

4. Equity & Inclusion Efforts

- **DEI-Focused Assignments**: Designed coursework integrating diversity, equity, and inclusion (DEI) learning outcomes.
- **Open Educational Resources (OER)**: Utilized free, high-quality materials to reduce financial barriers.
- **Industry Software Access**: Provided free software licenses to enhance career readiness.

These strategies have strengthened student engagement, learning outcomes, and accessibility. By integrating AI tools and inclusive teaching practices, I aim to continuously improve my approach, ensuring all students have meaningful learning experiences that prepare them for future success.

2. Scholarly/ Creative/Professional Achievement/Research:

- Present at a Conference
  - **Okuboyejo, Senanu**; Munmun, Mousumi; and Walczak, Steven, "Insights from Depression Apps User Reviews via Sentiment Analysis and Topic Modelling" (2024). *MWAIS 2024*
  - **Okuboyejo S.** & Kurakula S. (2024). An Ontological Model to Computerize Asthma Diagnosis and Management Clinical Guideline for Primary Care, in Proceedings of the 15th ICT4Africa Conference, Cameroon, July 2024. https://ictforafrica.org/ict4a-2024-proceedings.
  - **Senanu Okuboyejo** & Miriam A. Nkemnji-Enohnyaket (2024). Influential Determinants of Adult Wellbeing: Exploring the Global Impact of Lifestyle Choices on Body-Weight Variations within the Canadian Population, presented at the 4th Scientific Conference, "Dying to be Beautiful? Body Image, Eating Behaviors and Health in the Caribbean" Kingston, Jamaica, December 6-8, 2024.
  - **Senanu Okuboyejo** & Steven Walczak (2025), A LIWC-based Sentiment Analysis of Depression Apps: Implications for Consumer Behavior and Business, presented at *the 80th Annual SAM International Business Conference 2025 (SAMIBC2025), Tallahassee, FL* on 03/17/2025. *(Best paper award)*
  - **Sena Okuboyejo** - "It Begins with a Prompt: Crafting Effective Prompts for Inclusive and Engaging Teaching" presented at the Spring 2025 Faculty Development Conference (03/15/2025)

- Publish in one journal outlet / conference proceeding
  - **Okuboyejo, Senanu**; Munmun, Mousumi; and Walczak, Steven, "Insights from Depression Apps User Reviews via Sentiment Analysis and Topic Modelling" (2024). *MWAIS 2024 Proceedings*. 3. https://aisel.aisnet.org/mwais2024/3
  - **Okuboyejo Senanu (2024).** A Review of Knowledge-Based Interventions for Mental Health Self-Management, *Asian Journal of Computer and Information Systems. https://www.ajouronline.com/index.php/AJCIS/article/view/7256*

- **Okuboyejo S.R**, Adekanye O, & Ayeni F. (2025). Evaluating User Experience in Learning Applications among University Students in Nigeria using UEQ submitted to *the International Journal of Emerging Technologies in Learning* 02(2025). *(Accepted for Publication)*
- **Okuboyejo, S.**, Han, S., Jha, S., Eneja, C., & Orji, R. (2025). Insights from User Reviews to Improve Suicide Prevention Apps: A Machine Learning and Thematic Analysis-Based Approach. *International Journal of Human–Computer Interaction*, 1–21. https://doi.org/10.1080/10447318.2025.2476711

- Review for a conference or journal
  - I reviewed a manuscript for the AMCIS 2025 conference

- Collaboration in the scholarly growth of peers, other scholars and students
  - Co-presenter / facilitator with Drs. Katryna Johnson, Rassule Hadidi, Linda McCann, Loi Nguyen, and Minjung Park, CBM Lunch and Learn Series. Presentation Title: Ethical and Appropriate Uses of Generative AI in Teaching and Learning.
  - Workshop Facilitator – Spring 2025 Faculty Development Conference - "It Begins with a Prompt: Crafting Effective Prompts for Inclusive and Engaging Teaching"
  - Student Scholars Conference: Students in the MIS 671 (Spring24 and Fall24) class participated and presented their collaborative projects (7 posters) at the Student Scholars Conference (04/18/2024 and 12/05/2024). Students won the "Social Justice Award" presented by the Office of DEI.

3. Evidence of continuing preparation and study

- Academic Member, Association for Information Systems
- Academic Member, Association of Computing Machinery
- Member, Minne Analytics, Minnesota
- I continued participating in the Faculty of Color Mentorship Program (FoCMP). Dr. Jun Li is my mentor for the program.
- I attended/participated in the following research, teaching, assessment, and/or student development conferences or workshops. These conferences shape my teaching, learning, and evaluation competencies towards building student competencies, institutional capacities, and job sustainability.
  - Participant - SAP University Alliances Virtual Trainings for university faculty to earn trainer skills
    - Teaching with SAP Analytics Cloud
  - COM Lunch and Learn Series
  - Minnesota State NED Teaching and Learning Conference, theme "Guides for the Educational Journey". September 26 – 27, 2024. Metro State University.
  - Inside HigherEd webinar "Owning the Unknown: Teaching and Learning With AI". 09/25/2024
  - Pearson Ed Tech Symposium 2024: Empowering Educators with AI, 10/09/2024
  - Educator Development Day: "Charting our Path to the HLC 2026-27 Comprehensive Visit", 10/11/2024

- Macmillian Learning Professional Development Series: Authentic Assessment in the Age of AI, 10/30/2024
- SO-Network for Educational Development-Team IAAP Series - The Opportunities and Risks of AI in Higher Education. 10/03/2024
- Cengage 2025 Empowered Educator Online Conference, "Reaching Today's Learner: Impactful Teaching Practices in Higher Ed. 02/12 - 02/13/2025.
- The 80th Annual SAM International Business Conference 2025 (SAMIBC2025)

- Participate in local or regional conferences or professional organization activities.
  - PC member at conferences and workshops
    - 15th ICT for Africa (ICT4Africa) Conference, Cameroon, July 2024
    - Student Scholars Conference hosted by Metro State University
    - Spring Faculty Development Conference (03/15/2025)
- Active participation in faculty development, capacity-building initiatives, or other significant scholarly endeavors as appropriate for my discipline and role.
  - Campus Lead: NASH-Google Micro-credentials Program
- Engaged in life-long learning for continuous capacity building and development.
  - Certified Scrum Product Owner
  - Certified Coursera Admin
  - Certificate of Completion – Google Prompting Essentials
  - Certificate of Completion – Google AI Essentials
  - Certificate of Completion – Foundations of User Experience (UX) Design by Google
  - Certificate of Completion – Start the UX Design Process: Empathize, Define and Ideate
  - Certificate of Completion, Adult and Pediatric First Aid/CPR/AED
  - University of Oulu Certificate of Completion, Persuasive Computing Course

4. Contribution to student growth and development.

- Student Advising: I assist students in setting clear educational objectives, offer advice on course selection and career pathways, and help them navigate academic challenges.
- I worked with Dr. Foluso Ayeni to submit a 4030-grant proposal to start up the AIS student chapter at Metro. Grant has been approved, with plans underway to begin the registration and launching process.
- DBA Advising: Vang Boern
- Served as a judge at the Datathon and Data Derby events in April 2024
- Participant, DBA Research Day, April 2024
- Campus Lead: NASH-Google Micro-credentials Program: taught by industry professionals, it equips learners with industry-relevant, practical skills in high-demand areas such as data analytics, digital marketing, project management, cybersecurity, and UX design. This program enhances students' employability, boosts confidence through hands-on experience, and fosters continuous professional growth by aligning academic knowledge with real-world industry requirements.
- I am working with colleagues to review the MIS310 content and materials.
- I incorporated seminars/conference presentations into my courses to equip students with career-readiness competencies such as public speaking and oral communication. Every semester, students in my classes participate in the Student Scholars Conference at Metro State.

- I received a professional development grant ($400) towards software subscription - Invideo - an AI-based tool for creating interactive videos for my classes. It converts the lecture slide deck into videos to support the various learning needs of my students.

5. **Service: Provide service to the department/college/university or support a significant initiative**
   - Serve on a departmental/college/university committee
     - Co-chair, MIS departmental search committee
     - CBM Strategic Goal Taskforce – Student Engagement
     - CBM Graduate, DBA and MBA Steering Committee
     - CBM/IFO Outstanding Student Award (OSA) Committee
     - Member, Graduate Programs Committee (GPC)
     - CBM Rep, FoCMP
     - CBM Rep - FA Council
     - Student Scholars Committee (University)
     - Campus/Faculty Lead – NASH-Google Micro-credentials CoP
     - AI training and Support task force of the UTAC AI Subcommittee
   - Participate in and support Diversity, Equity, and Inclusion (DEI) Activities.
     - Member, Black Equity – ERG for people of African descent
     - I became an Equity champion to promote and close the gaps in equitable hiring. I served as an equity champion on the MIS search committee.
   - Member, Teaching with AI: Community of Practice (Minnstate NED Initiative)
   - Parent Volunteer, Texas Skies District Day Camp (Jungle Trek), Sam Houston Area Council Boys Scout of America, June 2024
   - Volunteer, Vacation Bible School (VBS) 2024, Katy's First Baptist Church, Katy, TX.
