METRO STATE UNIVERSITY

OFFICE OF THE PRESIDENT

October 27, 2023

Dr. Senanu Okuboyejo
Management Information Systems
College of Management
Metropolitan State University

Dear Dr. Okuboyejo:

I am delighted to inform you that upon review of your professional development grant application and with the recommendations of Dean Rassule Hadidi and Provost Amy Gort, you have been awarded $1000.00.

Your professional development grant award is to: Attend the 16th Annual Conference on Higher Education Pedagogy.

Each fiscal year, a set amount of funds is designated by the IFO Contract for professional development grant awards with separate amounts for community and resident faculty members. The amount available for each applicant varies based on applications. Awards are set assuming that two-thirds of the funds will be awarded during the fall application process, and the rest during the spring application process. This fall there is $48,053 available for resident faculty awards, and $50,000 available for community faculty awards. The amount for community faculty is two thirds of the remainder after community faculty course development awards for FY 24. Applications are evaluated using the criteria in Faculty Personnel Matters.

The Professional Development Grant award amounts for FY 24 applications are as follows:

Faculty	First Award (Fall or Spring)		Second Awards (if funds are available and you have not met your limit for the year)	
	Attending	Presenting	Attending	Presenting
Community Faculty	Up to $1,100	Up to $1,200	N/A	N/A
Probationary Faculty	Up to $1,000	Up to $1,100	Up to $700	Up to $800
Fixed Term Faculty	Up to $900	Up to $1,000	Up to $600	Up to $700
Tenured Faculty	Up to $900	Up to $1,000	Up to $600	Up to $700

Forms, Rules, and Regulations for all awards:
If travel is a part of your award, you must also submit a Travel Authorization Form prior to making your travel arrangements. At this time, all travel requires President approval. The PDG application is not a travel authorization.

Board Policy 5.19, Travel Management, System Procedure 5.19.3 Part 10, Subpart D. Travel to Countries Under Travel Warnings Generally Prohibited. Link to Board Policy.

International travel requires only President approval for any country listed as a Level 1 or Level 2 risk. The Vice Chancellor of Human Resources must approve travel to any country listed as a Level 3 or Level 4 risk which are listed at Travel Advisories (state.gov)

International travel to any country outside the U.S., regardless of current warning level, requires the completion of two additional forms located at MinnState Travel Warning Webpage:

1. Request for Approval of Travel to Country Under U.S. Department of State Travel Warning or Alert
2. Employee Acknowledgement of International Travel Risks and Responsibilities

In addition, you will need to include information from the State Department's travel advisories, which now incorporate and evaluate risks based on transmission levels for COVID. You can find travel advisories at Travel Advisories (state.gov)

The CDC website also contains the travel advisories based on COVID transmission at CDC COVID-19 Travel Recommendations

For Reimbursement:
All required forms and information on how to request reimbursement can be found in the Forms section of the online Faculty and Staff Portal.

This grant may not be re-allocated to projects, presentations, or creative works which are different than the one detailed in your grant proposal. State statute requires that funds must be encumbered prior to expenditure.

MMB strongly encourages submission of your reimbursement request within 30 days of occurrence/expenditure. After 60 days your reimbursement will be treated as taxable income, as per State statutes. To avoid these tax liabilities, please complete and submit your travel reimbursement paperwork as soon as possible upon your return. The appropriate office manager will process your paperwork and submit it to the Financial Management Office for reimbursement.

For funds awarded for travel or activities that will occur before June 30, 2024, paperwork must be completed by the end of this fiscal year, June 30, 2024. If the travel or activity continues through June 30, 2024 then paperwork must be completed and submitted by July 10, 2024.

For funds awarded for travel or activities that commence on or end after June 30, 2024, please submit your reimbursement request within 30 days of the occurrence/expenditure.

If you have any questions, please contact Dina Inderlee by email at dina.inderlee@metrostate.edu, prior to proceeding with your professional improvement activities.

Congratulations and continued success on your professional development activities.

Sincerely,

Virginia Arthur
